

Boris C.

Novi Sad, Serbia
Front-End Developer

WORK EXPERIENCE

AngularJS Developer

Freelance / Independent, Novi Sad, Serbia
2017 - 2019

I worked on a several projects closely with teams of backend developers and designers. My tasks include building websites with REST API. I use AngularJS 1.x in all my projects:

Here you can check some examples:

Web Developer

Scy To Tech, Novi Sad, Serbia
2016 - 2017

As a fulltime Web Developer at Scy to Tech. I worked as a part of the development team that coded various designs and built modern, responsive web sites and apps.

The best projects in this company is:
